About Digital Market Exchanges

Digital Market Exchanges is a decentralized crypto company which has a partnership with BINANCE SMARTCHAIN NFT TRADE and BLOCKCHAIN TECHNOLOGY and also have a very high rate value percentage in the crypto global market and order activities on behalf of the benefits of our investors we created an opportunity for them to also have they financial freedom as they may invest with they asset earn their retirements income . Digital Market Exchanges are a foundational pillar of the cryptocurrency ecosystem, letting users achieving an assets without the need for intermediaries. Digital Market Exchanges have experienced increasing adoption in the last few years due to the instant liquidity they have went for a newly upgraded system, to ensure of good security and seamless on-boarding experience, and the democratized access in order to ensure of a successful investment provision and good recode which will be provided for the benefit of the investors

One of the main benefits offered of Digital Market Exchanges is the high degree of determinism achieved by using blockchain technology and immutable Binance Smartchain NFT TRADE contracts Where all assets were secured and all transactions were successful Digital Market Exchanges has a high volume voltage in the crypto, market, transaction, and such as being in partnership with BINANCE SMARTCHAIN NFT LIVE the platform facilitates trading using the internal matching engine of the exchange, Digital Market Exchanges executetrades through smart contracts and on-chain transactions. Furthermore, Digital Market Exchanges allow users to maintain full custody of their funds themselves by creating their account using a well decentralization wallets during the process of their investment

What We Represent

Commitment

We are committed to our investors. We seek to form long-term relationships with them to show this commitment. These relationships create security to help investors plan for the future; and sustainable incomes for them to work their own way out of financial struggles and make massive improvements to their lives.

Honesty

Honesty is the only policy and we strive to achieve the best result with integrity, not just with our clients, but also our traders and advisors. We don't just report on our finances, we measure and report on everything we do. We ask our investors what they think of us, and we use professional auditors to check our reporting.

Value

As a top investment organization, we have staffs with over 30 years experience in combining development and trade. We are committed to pushing the boundaries of what constitutes the highest standards in trade investments. We put people before profit and committed to improving the lives of those we work with.

As a lifetime business partner, space-xchange.com is committed in helping investors maximize profits by giving the upper-hand on increasing capital value with early detection of profitable trends.

Our Focus

We help clients make lasting improvements on their financial decision and portfolio

USER GUIDES

How To Get Started

Welcome to one of the world class crypto innovations, structured to help you learn and earn from cryptocurrency and other financial market investment. We are here to bridge the gap between crypto investors and right trading strategies to help you maximize your profits and minimize loss.

If you are a beginner or have no knowledge in cryptocurrency or financial market, we will walk you through the process you need in order to start earning within 20 hours of your trading experience. Also if you are an experienced trader, you can easily manage your account and set automatic trade while you focus on other aspect of your life.

We have carefully outlined all the steps you need to follow in order to start earning regardless of your knowledge and experience in trading financial instruments.

Sign Up

To sign up, click the 'Sign up' button, you will be taken to the page with the registration form. You are required to provide information such as your full name, username, email and your payment accounts. You also need to come up with a complicated password.

When you fill in your details correctly click the sign up button. A verification link will be sent to your email address, check your email and click the link to verify your account. For video tutorial and full details on how to sign up, click "learn more".

Make Deposit

To Make Deposit, log into your Digital market exchanges account using your username and password you specified during registration/sign up. On your dashboard, click "Deposit" or "+" icon , select your preferred mode of payment, input your desired amount, then click "Continue" in the lower field of the page. You will be taken to the page of the chosen payment system. Transfer the exact amount you specified to deposit. When you have successfully sent funds and transaction is completed, your funds will appear in your Account Balance. For videotutorial and full details on how to Add Funds click "learn more".

Pick a Plan

After you have added funds into your Digitalmarketexchanges account, next step is to Pick a Plan and invest your funds. To invest your newly added funds, click "Invest" button in your dashboard, you will see several investmentplans. Select one of these plans (make sure you have enough balance for each plan you want to select), select wallet which has your fund, enter amount then click "Continue", on the next page, click "Process". Congratulations, you have successfully invested your funds. For video tutorial and full details on how to pick a plan, click "learn more" .

Get Profit

The accrued interest from your investment will automatically be added into your account balance in accordance with the chosen investment plan. At the end of the investment term, your entire capital/principal amount will be in your account balance. To see your active plans, click “Active Plan” in the menu panel. Also, to track your transaction history in your account (this includes your daily accrued profits etc) Click “Transaction” in the menu panel.

Refer and Earn

You can also become one of our partners to earn even more money. We have a special program called Affiliate Program that works on a very simple principle. All you have to do is to share your referral link to potential clients. If they register and make deposit, you will receive 10% bonus from the amount of their investment. Login to your account, click “Referrals” to copy your referral link, share it with others and earn extra profits today.

Explore

Always stay tune so that you do not miss out in our affiliate competitions. You could be the next winner of our cash prize and luxury car. Also explore and stay ahead of the markets with our world-leading market analysis acknowledged by mainstream financial media, and access live education through our subsequent blog post hosted by our industry experts. We offer financial assets that have become an established investment commodity among major financial institutions. Don't be left out.
